**FROM: REAL ESTATE ASSESSMENT COMMITTEE**

**DATE: 30 January, 2017**

**SUBJECT: CITIZEN'S WARRANT ARTICLES FOR 2017 ATM**

The Real Estate Assessment Committee met on January 12, 2017. We were given all of the Citizen's Warrant Articles prior to our meeting. Our Committee unanimously agreed that we would only opine on the real estate articles that deal directly with takings. We do not believe that zoning changes are within our purview and, of course, non-real estate articles are not as well. Also, we did not make any recommendation on the Catherine Stover/Funeral Home articles. Thus, we made the following recommendations:

**2 SCOTT'S WAY - Positive recommendation on the acquisition and disposition. On the disposition, we recommend that the portion of the land that abuts the Boy Scout property be open space, and that an eight (8) foot easement be retained.**

**NORTH ROAD SHIMMO - Positive recommendation on the acquisition and disposition. This is a waterfront lot, which should be priced according to our formula that has been established by the REAC in conjunction with the Town Assessor. It appears that there is no public access.**

**SANDWICH ROAD - MONOMOY – Positive recommendation on the acquisition and disposition. The Committee suggested that the correct address should be 11 Monomoy Road and not 8 Monomoy Road. There is a sewer line running down the paper road. It needs an easement for sewer maintenance, and the sewer line should be clearly identified.**

**LOW BEACH ROAD – Positive recommendation on the acquisition and disposition. This property has a water view, and should be priced based on our new formula.**

**NANCY ANN LAND – Positive recommendation on the acquisition and disposition. Terms and conditions per 30B. This should be conditioned on Richmond upgrading the roads, and then offering them to the Town. There should be a nine (9) foot way and nine (9) foot parking lane.**

**DAFFODILL AND MAYFLOWER - No recommendation on this at the time of the REAC meeting as there are still negotiations going on with the neighbor.**

**WEST QUAISE ROAD – Positive recommendation on the acquisition and disposition. Retain walking easement, and width to be determined. One-half goes to conservation.**

**NOTE: BOS should have the right to reserve easement rights, and the Town should retain these rights.**
