

Dinah Klamert, Principal-in-Charge, R.A.

Ms. Klamert is a licensed architect in Massachusetts, New York and several other states. She has received several AIA Design Awards and recognition for original works that challenge creativity. Ms. Klamert is an expert with building codes, zoning, and the construction trades. Her work provides innovative and practical pathways to enable excellence in design and management of consultants, construction budgeting and schedules. Her experience includes Residential Developments, Commercial Developments, Mixed-Use Developments, Standalone Retail, Educational Facilities and Industrial Warehouses.

Ms. Klamert has worked with a diverse range of design concerns and clients. The overall emphasis of her firm is one of flexibility to programmatic requirements, site concerns and construction issues with a commitment to comprehensive responsiveness. KOH brings over 25 years of construction experience to the industry. We have a high percentage of repeat clients and we build long term business relationships.
