Chapter 139 ZONING

Article V. Administration and Enforcement

§ 139-26. Issuance of building and use permits.

A. No building or structure shall be used, erected, constructed, relocated, added to or otherwise subjected to alteration, or demolished without a building or use permit having been issued by the Building Commissioner for any use or structure. No lot shall be changed from its use preexisting the July 27, 1972, effective date of this chapter, except to its natural condition allowed by § 139-7A(5) above, without a use permit or a building permit permitting such use. No such permit shall be issued until such construction, erection, relocation, addition, alteration, demolition or use, as proposed, shall comply in all respects with the provisions of this chapter

as determined by the Zoning Enforcement Officer or with a decision rendered by the Board of Appeals, the Planning Board, or the courts in the case of appeals.

(1) Demolition delay.

(e) Issuance of building, use, or occupancy permit.

[1] If it has been determined that a building is subject to review, pursuant to Subsection A(1)(b) above, no building permits shall be issued for the erection of a new building on the site of such building subject to review before issuing a demolition permit for such building subject to review in compliance with this section.

[2] If it has been determined that a building subject to review has been voluntarily demolished in violation of this section, no building permits shall be issued for new construction, or any use or occupancy permit for any use other than a park or recreational open space, with respect to the premises of such building for a period of two years after the date of the determination. As used herein, "premises" includes the parcel of land upon which the demolished building was located and all abutting parcels under common ownership or control.

[3] The applicant (or the owner of record, if different from the applicant) shall be responsible for properly securing the building during the time that it is subject to review under this section. If a building is subject to demolition delay, pursuant to Subsection A(1)(b) above, and the applicant fails to secure the building, the loss of the building to fire or other causes shall be considered voluntary demolition for the purposes of this section.

[4] The issuance of a building permit for the construction of any new dwelling unit on Shorefront Land or within 200 feet of Shorefront Land shall be required to, in exchange for the issuance of the building permit required by this Section, execute a release, hold harmless and indemnification agreement ("Release") relative to said permitting and the potential for coastal erosion and impacts on or elimination of public access to the property at issue. Said Release shall be maintained by the Building Commissioner. A Release shall not be required for any renovations or repairs to structures existing prior to the effective date of this Section.

(2) Any applicant seeking a building permit pursuant to the terms of this Section for the construction of any new dwelling unit on Shorefront Land or property within 200 feet of Shorefront Land shall be required to, in consideration for the issuance of the building permit required by this Section, execute a Release, as specified in this Section, acknowledging the potential for coastal erosion in the vicinity of the property at issue and the potential for impacts on or elimination of public access to said property due to coastal erosion. A Release shall not be required for any renovations or repairs to structures existing prior to the effective date of this Section.

Pursuant to said Release and the issuance of a permit for construction of a new dwelling unit, the applicant shall understand and be advised that the proposed new dwelling unit site at or within 200 feet of the Shorefront Land may be subject to extraordinary hazards and damage from waves during storms, erosion, retreat, settlement, sinking, or subsidence and said Owner shall assume full and sole risk for such hazards, including any restrictions on public access to said property. As such, the Owner shall unconditionally waive any present, future, and unforeseen causes of action and claims of liability on the part of the Town arising from the aforementioned or other natural hazards and relating to said permit approval and resultant construction, as a condition of approval. Further, the Owner shall agree to indemnify and hold harmless the Town and its departments, boards, officials and employees for any acts or omissions and related cost of defense, including, but not limited to, claims related to impacts on or reductions in public access to said property, arising from the aforementioned or other natural hazards whether such claims should be stated by the Owner, Owner's successor-in-interest and/or third parties.

D. Issuance of permits. Upon receiving the application, the Building Inspector shall examine the same within a reasonable time after filing. The Zoning Enforcement Officer shall provide the Building Commissioner with a certificate of compliance with this chapter. If the application does not conform to the provisions of all pertinent local laws, the Building Commissioner shall reject such application in writing, stating the reasons therefore, within 30 days of the submission of a complete application.

(1) He shall inform the applicant of his right of appeal to the Board of Appeals in the event such application is rejected.

(2) If satisfied that the proposed work and/or use conforms to the provisions of this chapter and all laws and ordinances applicable thereto, he shall issue a building or use permit thereto, within 30 days of the submission of a complete application.

(3) Prior to the issuance of a permit for new dwelling unit on Shorefront Land or within 200 feet of Shorefront Land, the Owner of said property, shall be required to, in exchange for the issuance of the building permit execute the Release, as specified in this Section. Said Release shall be maintained by the Building Commissioner.

H. Temporary permit. A temporary permit may, upon written request of an applicant, be authorized by a favorable vote of at least four members of the Board of Appeals for a nonconforming structure or use which the Board of Appeals finds necessary to promote the proper development of the community, provided that such nonconforming structure or use shall be completely removed upon expiration of the permit (unless previously made conforming or validated) without cost to the Town (unless the Town is the applicant). Such permit may be renewed annually for an aggregate period not exceeding three years.

I. Payment of fees. No building or use permit shall be issued until the fees prescribed by the Board of Selectmen shall be paid to the Building Inspector.

J. Compliance with permit. All work or uses shall conform to the approved application for which the permit has been issued as well as the approved plot plan.

K. Disclaimer of Liability. This Bylaw shall not create any liability on the part of the Town, its departments, boards, officials and employees for any extraordinary hazards and damage from waves during storms, erosion, retreat, settlement, sinking, or subsidence damage that results from reliance on this Bylaw or any administrative decision made lawfully thereunder.

Or to take any other action related thereto.

The Right to Farm is hereby recognized to exist within the Town of Nantucket. The above-described agricultural activities may occur on holidays, weekdays, and weekends by night or day and shall include the attendant incidental noise, odors, dust, and fumes associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community, and society in general. The benefits and protections of this By-law are intended to apply exclusively to those commercial agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this Right To Farm By-law shall be deemed as acquiring any interest in land, or as imposing any land use regulation, which is properly the subject of state statute, regulation, or local zoning law.

Section 4 Disclosure Notification

Not later than 21 days after the purchase and sale contract is entered into, or prior to the sale or exchange of real property if no purchase and sale agreement exists, for the purchase or exchange of real property, or prior to the acquisition of a leasehold interest or other possessory interest in real property, located in the Town of Nantucket, the landowner shall present the buyer or occupant with a disclosure notification which states the following: "It is the policy of this community to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food, and other agricultural products, and also for its natural and ecological value. Such farming activities may include, but are not limited to, activities that cause noise, dust and odors. Buyers or occupants are also informed that the location of property within the Town may be impacted by commercial agricultural operations including the ability to access water services for such property under certain circumstances." A copy of the disclosure notification shall be given on a form prepared by the Town and shall be signed by the landowner prior to the sale, purchase, exchange or occupancy of such real property. A copy of the disclosure notification must be filed with the Board of Selectmen or its designee prior to the sale, purchase, exchange or occupancy of such real property. In addition to the above, a copy of this disclosure notification shall be provided by the Town to landowners each fiscal year by mail. A violation of Section 4 shall be subject to a fine of \$300 and shall be enforced by the Board of Selectmen or its designee. The Town is authorized to enforce Section 4 under the non-criminal disposition provision of G.L. c. 40, § 21D.

Section 5 Resolution of Disputes [Applicable only in communities that have Agricultural Commissions.]

Any person who seeks to complain about the operation of a farm may, notwithstanding pursuing any other available remedy, file a grievance with the Select Board, the Zoning Enforcement Officer, or the Board of Health, depending upon the nature of the grievance. The

filing of the grievance does not suspend the time within which to pursue any other available remedies that the aggrieved may have. The Zoning Enforcement Officer or Select Board shall forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the referring Town authority within an agreed upon time frame. The Board of Health, except in cases of imminent danger or public health risk, may forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the Board of Health within an agreed upon time frame.

To see if the Town will vote to request its representatives in the General Court to introduce legislation seeking a special act the text of which is set forth below and to authorize the General Court, with the approval of the Board of Selectmen, to make constructive changes in the text thereto as may be necessary or advisable in order to accomplish the intent of this legislation in order to secure passage; or to take any other action related thereto.

An Act Authorizing the Town of Nantucket to Impose a Real Estate Transfer Fee for Affordable and Workforce Housing and Related Capital Improvements

SECTION 1. For purposes of this act, the words and phrases set forth in this section shall have the following meanings:

"Affordable Housing Restriction" is a recorded instrument held by a qualified holder which encumbers and/or restricts a real property interest so that the real property interest is perpetually or for a term of at least thirty (30) years limited to use as a residence occupied by a low or moderate income household which earns less than a specified income level, the upper limit of which may not exceed one hundred seventy-five percent (175%) of the Nantucket median income. A "qualified holder" is a governmental body or charitable corporation or trust which qualifies under the terms of Massachusetts General Laws Chapter 184 ("Chapter 184") to hold an affordable housing restriction. Without limiting the generality of the foregoing, "Affordable Housing Restriction" includes but is not limited to any instrument which conforms to the requirements of (i) a Nantucket Housing Needs Covenant as described in Chapter 301 of the Acts of 2002 and defined in the Town of Nantucket Code.

"Housing and Community Development Fund", shall refer to a discrete fund or account, established by the county treasurer of the Nantucket County under the provisions of this act.

"Eligible Applicants", shall refer to non-profit and for-profit corporations and organizations, individuals, and public entities.

"Purchaser", shall refer to the transferee, grantee or recipient of any real property interest.

"Purchase price", all consideration paid or transferred by or on behalf of a purchaser to a seller or his nominee, or for his benefit, for the transfer of any real property interest, and shall include, but not be limited to, all cash or its equivalent so paid or transferred; all cash or other property paid or transferred by or on behalf of the purchaser to discharge or reduce any obligation of the seller; the principal amount of all notes or their equivalent, or other deferred payments, given or promised to be given by or on behalf of the purchaser to the seller or his nominee; the outstanding balance of all obligations of the seller which are assumed by the purchaser or to which the real property interest transferred remains subject after the transfer,

determined at the time of transfer, but excluding real estate taxes and other municipal liens or assessments which are not overdue at the time of transfer; the fair market value, at the time of transfer, of any other consideration or thing of value paid or transferred by or on behalf of the purchaser, including, but not limited to, any property, goods or services paid, transferred or rendered in exchange for such real property interest.

"Real property interest", shall refer to any present or future legal or equitable interest in or to real property, and any beneficial interest therein, including the interest of any beneficiary in a trust which holds any legal or equitable interest in real property, the interest of a partner or member in a partnership or limited liability company, the interest of a stockholder in a corporation, the interest of a holder of an option to purchase real property, the interest of a buyer or seller under a contract for purchase and sale of real property, and the transferable development rights created under chapter 183A of the General Laws; but shall not include any interest which is limited to any of the following: the dominant estate in any easement or right of way; the right to enforce any restriction; any estate at will or at sufferance; any estate for years having a term of less than 30 years; any reversionary right, condition, or right of entry for condition broken; and the interest of a mortgagee or other secured party in any mortgage or security agreement.

"Seller", shall refer to the transferor, grantor or immediate former owner of any real property interest.

"Time of transfer" of any real property interest shall mean the time at which such transfer is legally effective as between the parties thereto, and, in any event, with respect to a transfer evidenced by an instrument recorded with the appropriate registry of deeds or filed with the assistant recorder of the appropriate registry district, not later than the time of such recording or filing.

"Town" shall refer to the Town of Nantucket acting by and through the Board of Selectmen.

SECTION 2. There is hereby imposed a fee equal to one per cent (1%) of the purchase price upon the transfer of any real property interest in any real property situated in Nantucket County. Said fee shall be the liability of the seller of such real property interest, and any agreement between the purchaser and the seller or any other person with reference to the allocation of the responsibility for bearing said fee shall not affect such liability of the seller. The fee shall be paid to the Town of Nantucket, or its designee, and shall be accompanied by a copy of the deed or other instrument evidencing such transfer, if any, and an affidavit signed under oath or under the pains and penalties of perjury by the purchaser or his legal representative and the seller or his legal representative, attesting to the true and complete purchase price and the basis, if any, upon which the transfer is claimed to be exempt in whole or in part from the fee imposed hereby. The Town, or its designee, shall promptly thereafter execute and issue a certificate indicating that the appropriate fee has been paid or that the transfer is exempt from the fee, stating the basis for the exemption. The register of deeds for Nantucket County, and the assistant recorder for the registry district of Nantucket County, shall not record or register, or receive or accept for recording or registration, any deed, except a mortgage deed, to which has not been affixed such a certificate executed by the Town or its designee. Failure to comply with this requirement shall not affect the validity of any instrument. The Town shall deposit all fees received hereunder with the Town treasurer. The treasurer shall deposit such fees as follows: 75% in the Affordable Housing Trust Fund and the remainder in capital project funds as determined by the Board of Selectmen, unless such allocation is changed by the affirmative vote of two-thirds of voters at an annual or special town

meeting. The fee imposed hereunder shall be due simultaneously with the time of transfer of the transfer upon which it is imposed. Notwithstanding the foregoing, whenever there is a conveyance of real property interests and a conveyance of personalty related thereto at or about the same time, the allocations of payments between real estate and personalty agreed to by the purchaser and seller shall not determine the amount of the fee due pursuant to this section; instead, the Town may require payment of the fee referred to in real property interests so conveyed as determined by the Town.

SECTION 3. At any time within seven days following the issuance of the certificate of payment of the fee imposed by section two, the seller or his legal representative may return said certificate to the Town or its designee for cancellation, together with an affidavit signed under oath or under the pains and penalties of perjury that the transfer, with respect to which such certificate was issued, has not been consummated, and thereupon the fee paid with respect to such transfer shall be forthwith returned to the seller or his legal representative.

SECTION 4. The following transfers of real property interests shall be exempt from the fee established by section 10. Except as otherwise provided, the seller shall have the burden of proof that any transfer is exempt under this section and any otherwise exempt transfer shall not be exempt in the event that such transfer (by itself or as part of a series of transfers) was made for the primary purpose of evading the fee imposed by Section 10.

(a) Transfers to the government of the United States, the commonwealth, and any of their instrumentalities, agencies or subdivisions, including but not limited to transfers to the Town of Nantucket, the County of Nantucket.

(b) Transfers which, without additional consideration, confirm, correct, modify or supplement a transfer previously made.

(c) Transfers made as gifts without consideration. In any proceedings to determine the amount of any fee due hereunder, it shall be presumed that any transfer for consideration of less than fair market value of the real property interest transferred was made as a gift without consideration to the extent of the difference between the fair market value of the real property interest transferred and the amount of consideration claimed by the seller to have been paid or transferred, if the purchaser shall have been at the time of transfer the spouse, the lineal descendant, or the lineal ancestor of the seller, by blood or adoption, and otherwise it shall be presumed that consideration was paid in an amount equal to the fair market value of the real property interest transferred, at the time of transfer.

(d) Transfer to the trustees of a trust in exchange for a beneficial interest received by the purchaser in such trust; distributions by the trustees of a trust to the beneficiaries of such trust.

(e) Transfers by operation of law without actual consideration, including but not limited to transfers occurring by virtue of the death or bankruptcy of the owner of a real property interest.

(f) Transfers made in partition of land and improvements thereto, under chapter two hundred and forty-one of the General Laws.

(g) Transfers to any charitable organization as defined in clause Third of section five of chapter fifty-nine of the General Laws, or any religious organization, provided that the real property interest so transferred will be held by the charitable or religious organization solely for its public charitable or religious purposes.

(h) Transfers to a mortgagee in foreclosure of the mortgage held by such mortgagee, and transfers of the property subject to a mortgage to the mortgagee in consideration of the forbearance of the mortgagee from foreclosing said mortgage.

(i) Transfers made to a corporation or partnership or limited liability company at the time of its formation, pursuant to which transfer no gain or loss is recognized under the provisions of section three hundred and fifty-one or seven hundred and twenty-one of the Internal Revenue Code of 1986, as amended; provided, however, that such transfer shall be exempt only in the event that (1) with respect to a corporation, the transferor retains an interest in the newly formed corporation which is equivalent to the interest the transferor held prior to the transfer, or (2) with respect to a partnership or limited liability company, the transferor retains after such formation rights in capital interests and profit interests within such partnership or limited liability company which are equivalent to the interest the transferor held prior to the transfer.

(j) Transfers made to a stockholder of a corporation in liquidation or partial liquidation of the corporation, and transfers made to a partner of a partnership or to a member of a limited liability company in dissolution or partial dissolution of the partnership or limited liability company; but the transfer shall be exempt only if (i) with respect to a corporation, the transferee receives property (including real property interests and other property received) which is the same fraction of the total property of the transferor corporation as the fraction of the corporation's stock owned by the transferee prior to the transfer or (ii) with respect to a partnership or limited liability company, the transferee receives property (including real property interests and other property received) which is the same fraction of the property of the partnership or limited liability company as the fraction of the capital and profit interests in the transferor formerly owned by the transferee.

(k) Transfers consisting of the division of marital assets under the provisions of section thirty-four of chapter two hundred and eight of the General Laws or other provisions of law.

(l) Transfers of property consisting in part of real property interests situated in Nantucket County and in part of other property interests, to the extent that the property transferred consists of property other than real property situated in Nantucket county; provided that the purchaser shall furnish the Town with such information as it shall require or request in support of the claim of exemption and manner of allocation of the consideration for such transfers.

(m) The first \$2 million of the sale price of any transfer or series of transfers of real property interests in a single parcel. Said exemption may be adjusted for inflation as determined annually by the affirmative vote of two-thirds of voters at an annual or special town meeting. For purposes of this subsection, "inflation" shall mean the increases, if any, in the total of prices paid for real property transfers year to year for real property within the Town of Nantucket.

(n) Transfers of minority interests in corporations, trusts, partnerships or limited liability companies which are publicly traded, which trades are not part of a series of transfers which together constitute a transfer of control of a corporation, trust, partnership or limited liability company.

SECTION 5. (a) The Town treasurer shall keep a full and accurate account stating when, from or to whom, and on what account money has been paid or received relative to the activities of the Trust Fund and the Housing Fund. Said account shall be subject to examination by the director of accounts or his agent pursuant to section forty-four of chapter thirty-five of the General Laws.

(b) Schedules of beneficiaries of trusts, list of stockholders of corporations and lists of partnerships filed with the Trust Fund for the purpose of determining or fixing the amount of the fee imposed under section ten or for the purpose of determining the existence of any exemption under section twelve shall not be public records for the purposes of section ten of chapter sixty-six of the General Laws.

SECTION 6. A seller who fails to pay all or any portion of the fee established by section two on or before the time when the same is due shall be liable for the following additional payments in addition to said fee:

(a) Interest: The seller shall pay interest on the unpaid amount of the fee to be calculated from the time of transfer at a rate equal to fourteen per cent per annum.

(b) Penalties: Any person who, without fraud or willful intent to defeat or evade a fee imposed by this chapter, fails to pay all or a portion of the fee within thirty days after the time of transfer, shall pay a penalty equal to five per cent of the outstanding fee as determined by the Town for each month or portion thereof thereafter that the fee is not paid in full; provided, however, that in no event shall the amount of any penalty imposed hereunder exceed twenty-five per cent of the unpaid fee due at the time of transfer. Whenever the Town determines that all or a portion of a fee due under this chapter was unpaid due to fraud with intent to defeat or evade the fee imposed by this chapter, a penalty equal to the amount of said fee as determined by the Town shall be paid by the seller in addition to said fee.

SECTION 7. (a) The Town shall notify the purchaser and the seller by registered or certified mail of any failure to discharge in full the amount of the fee due under this Act and any penalty or interest assessed. The Town shall grant a hearing on the matter of the imposition of said fee, or of any penalty or interest assessed, if a petition requesting such hearing is received by the Town within thirty days after the mailing of said notice. The Town shall notify the purchaser and the seller in writing by registered or certified mail of its determination concerning the deficiency, penalty or interest within fifteen days after said hearing. Any party aggrieved by a determination of the Town concerning a deficiency, penalty or interest may, after payment of said deficiency, appeal to the district or superior court within three months after the mailing of notification of the determination of the Town. Upon the failure to timely petition for a hearing, or appeal to said courts, within the time limits hereby established, the purchaser and seller shall be bound by the terms of the notification, assessment or determination, as the case may be, and shall be barred from contesting the fee, and any interest and penalty, as determined by the Town. All decisions of said courts shall be appealable. Every notice to be given under this section by the Town shall be effective if mailed by certified or registered mail to the purchaser or the seller at the address stated in a recorded or registered instrument by virtue of which the purchaser holds any interest in land, the transfer of which gives rise to the fee which is the subject of such notice; and if no such address is stated or if such transfer is not evidenced by an instrument recorded or registered in the public records in Nantucket County, such notice shall be effective when so mailed to the purchaser or seller in care of any person appearing of record to have a fee interest in such land, at the address of such person as set forth in an instrument recorded or registered in Nantucket County.

(b) All fees, penalties and interest required to be paid pursuant to this chapter shall constitute a personal debt of the seller and may be recovered in an action of contract or in any other appropriate action, suit or proceeding brought by the Town; said action, suit or proceeding shall be subject to the provisions of chapter two hundred and sixty of the General Laws.

(c) If any seller liable to pay the fee established by this act neglects or refuses to pay the same, the amount, including any interest and penalty thereon, shall be a lien in favor of the Town upon all property and rights to property, whether real or personal, belonging to either such purchaser or such seller. Said lien shall arise at the time of transfer and shall continue

until the liability for such amount is satisfied. Said lien shall in any event terminate not later than six years following the time of transfer. Said lien shall not be valid as against any mortgagee, pledgee, purchaser or judgment creditor unless notice thereof has been filed by the Town (i) with respect to real property or fixtures, in the registry of deeds for Nantucket County, or (ii) with respect to personal property, in the office in which a security or financing statement or notice with respect to the property would be filed in order to perfect a nonpossessory security interest belonging to the person named in the relevant notice, subject to the same limitations as set forth in section fifty of chapter sixty-two C of the General Laws.

(d) Sellers applying for an exemption under subsections (a) through (o) of section four shall be required at the time of application for exemption to execute an agreement legally binding on sellers and separately legally binding upon any Legal Representative of the sellers (1) assuming complete liability for any fee, plus interest and penalties if any, waived on account of an allowed exemption subsequently determined to have been invalid, and (2) submitting to the jurisdiction of the trial court of the commonwealth sitting in Nantucket County. Fees, plus interest and penalties if any, shall be calculated as of the date of the initial property transfer. Execution of the above-described agreement shall not be required of any mortgagee, pledge, purchaser or judgment creditor unless notice of the agreement has been recorded or filed by the Town.

In any case where there has been a refusal or neglect to pay any fee, interest or penalties imposed by this act, whether or not levy has been made, the Town, in addition to other modes of relief, may direct a civil action to be filed in a district or superior court of the commonwealth to enforce the lien of the Town under this section with respect to such liability or to subject any property of whatever nature, of the delinquent, or in which he has any right, title or interest, to the payment of such liability.

The Town may issue a waiver or release of any lien imposed by this section. Such waiver or release shall be conclusive evidence that the lien upon the property covered by the waiver or release is extinguished.

SECTION 8. The provisions of this act are severable, and if any provision hereof, including without limitation any exemption from the fee imposed hereby, shall be held invalid in any circumstances such invalidity shall not affect any other provisions or circumstances. This act shall be construed in all respects so as to meet all constitutional requirements. In carrying out the purposes and provisions of this act, all steps shall be taken which are necessary to meet constitutional requirements whether or not such steps are required by statute.

SECTION 9. If the Town has determined that a fee is due by asserting the application of the evasion of fee doctrine described in section 13, then the seller shall have the burden of demonstrating by clear and convincing evidence as determined by the Town that the transfer, or series of transfers, possessed both: (i) a valid, good faith business purpose other than avoidance of the fee set forth in section 10 and (ii) economic substance apart from the asserted fee avoidance benefit. In all such cases, the transferee shall also have the burden of demonstrating by clear and convincing evidence as determined by the Town that the asserted non-fee-avoidance business purpose is commensurate with the amount of the fee pursuant to section 10 to be thereby avoided.

SECTION 10. This act shall take effect ninety (90) days following the date of passage.

AN ACT AMENDING THE NANTUCKET ISLANDS LAND BANK ACT

Be it enacted by the Senate and the House of Representatives in General Court assembled, and by the authority of the same, as follows:

The Nantucket Islands Land Bank Act (being chapter 669 of the Acts of 1983, as amended by chapter 407 of the Acts of 1984, by chapter 202 of the Acts of 1985, by chapter 666 of the Acts of 1987, by chapter 392 of the Acts of 1991, by chapter 309 of the Acts of 1994, by chapter 370 of the Acts of 2002, by chapter 130 of the Acts of 2006 and by chapter 354 of the Acts of 2010, referred to collectively as the "Land Bank Act") is hereby amended as follows:

(a) The definition of "Affordable Housing Restriction" shall be added to Section 1 of the Land Bank Act between the preamble and the definition of "Commission", as follows:

"Affordable Housing Restriction" is a recorded instrument held by a qualified holder which encumbers and/or restricts a real property interest so that the real property interest is perpetually or for a term of at least thirty (30) years limited to use as a residence occupied by a low or moderate income household which earns less than a specified income level, the upper limit of which may not exceed one hundred seventy-five percent (175%) of the Nantucket median income. A "qualified holder" is a governmental body or charitable corporation or trust

which qualifies under the terms of Massachusetts General Laws Chapter 184 (“Chapter 184”) to hold an affordable housing restriction as defined in Chapter 184. Notwithstanding the foregoing, if the real property interest is transferred again within five (5) years and the later transfer complies with this Exemption “O”, no fee, interest or penalties will be due. In the event that the holder of an Affordable Housing Restriction determines within five (5) years of the transfer that the real property interest to which it pertains is not being used consistent with the requirements of the Affordable Housing Restriction, or in the event of a later transfer within five (5) years which does not comply with this Exemption “O”, the fee exempted hereunder shall become due, together with the accumulated interest and penalties calculated from the date of the transfer exempted hereunder. The purchaser shall certify as to the foregoing, and the Commission shall attach to the deed a certificate which shall recite the fact that there is running with the land a lien equal to the amount of the fee exempted plus accumulated interest and penalties until such time as all conditions of this subsection have been met.
