CALLING OLD SALTS!
SUNSET SAILS WITH NANTUCKET COMMUNITY SAILING

Join Nantucket Community Sailing aboard one of its 35' keelboats for a beautiful evening sail in Nantucket's Harbor and out into Nantucket Sound. Crew members 60 and older are welcome. The sail will leave at 4:45pm and return at 7:45pm on **Monday, August 8, 2016, Tuesday, August 9, 2016 & Tuesday, August 23, 2016**. Participants may take an active role in sailing the boat, or are welcome to sit back and relax. Participants may have varying physical abilities, but should be able to step on to the boat and over the life-line, with assistance if needed, and down to the seat. They may need to move from seat to seat on the boat, but going out onto the deck of the boat is not necessary; they may remain in the cockpit for the length of the sail if that is where they are most comfortable. Life jackets will be provided and sails will be wind and weather dependent. Participants will need: Closed-toe shoes (old sneakers or non-marking boat shoes are best); layers, including a light jacket (it can be chilly in the evening out on the water); sunglasses/hat; sun-block (please avoid using spray sun-block as it will strip the boats finish); and a water bottle (or non-alcoholic beverage) if wanted (no glass). There is a limit of 6 people. Meet the sailboat at the Children's Beach dock on Harbor View Way.

Please call the Saltmarsh at 508-228-4490 to reserve your spot. FREE.

SHINE NEWS...

*****Hospital Observation Stays and Original Medicare*****

Hospitals often admit patients under observation status. Patients under "observation" are considered outpatients even though they may stay in a hospital bed for many days. For those with Original Medicare, outpatient stays at a hospital could result in increased costs. For instance, Medicare requires a three-day inpatient stay at a hospital before it will pay for any stay in a skilled nursing facility and time spent under "observation" in a hospital will not count toward that three-day minimum. ADVERTISEMENT

In addition, a Medicare Supplement (Medigap) will not cover any of the costs of the skilled nursing care if Medicare has not paid first. So patients with Original Medicare who have been under observation status, whether they have a Medigap or not, must decide whether to pay out-of-pocket for the medically necessary rehab/skilled nursing care, or cut care short and return home, because they are unable to cover the costs. Medicare Advantage plans (HMOs, PPOs) will cover costs of skilled nursing facility care, if it is medically necessary, because they do not have a three-day minimum in a hospital stay requirement. However, in a Medicare Advantage plan, skilled nursing facility services are subject to co-payments, which can be substantial. The Medicare Advocacy Project (MAP) would like to hear from you if you were in the hospital under "observation" and you now have a large bill from a skilled nursing facility. The Medicare Advocacy Project for the Cape and Islands is through South Coastal Counties Legal Services in Hyannis and their phone number is 508-775-7020. This is a free service for those on Medicare and MAP can help with all types of Medicare appeals.

SHINE (Serving Health Insurance Needs of Everyone...on Medicare) volunteers offer free, confidential counseling on all aspects of health insurance to anyone on Medicare. Please call the the Saltmarsh at 508-228-4490 to schedule a SHINE appointment.
