If an Employee chooses to notify the Town, or requests assistance from the Town regarding an alcohol or drug related problem, that notice or request will not jeopardize his/her continued employment, provided the Employee stops any and all involvement with the substance being abused, and maintains adequate job performance. Participation in the program will not prevent disciplinary action for violation of this policy.

When the Town changes the percentage the Town pays toward premiums for the Master Medical Plan, the Town agrees to also offer the Blue Care Elect Preferred Provider Plan as an alternative to the Master Medical Plan. The Town agrees to pay ninety (90%) percent of the cost of the Blue Care Elect Plan, individual or family coverage, for those regular employees who are participating in said plan.

The Town agrees that the Blue Care Elect Plan (“PPO”) offered to employees will require only a twenty-five dollar (\$25.00) co-pay by employees for Emergency Room visits and will provide a one year transition period from the date the PPO Plan is implemented to 1) pay the difference between in-network and out-of-network costs for any employee who, at the time the PPO Plan is implemented, is receiving treatment from a specialist provider whose services are currently covered under the Master Medical Plan but who is not covered under the PPO Plan, and 2) pay the difference between the in-network and out-of-network costs for any employee whose primary care physician is enrolled in the PPO Plan but drops out of the PPO network at any time, for a one year transition period following the date the physician drops out of the PPO network.

The Town shall continue to provide health insurance covered in accordance with the provisions of M.G.L. chapter 32B. Changes shall be made in accordance with M.G.L. chapter 32B and M.G.L. chapter 150E.

28.2 Cause: The employer shall have the right to discipline Employees for cause only.

28.3 Progressive Discipline Process: The steps in the progressive discipline process are as follows, each step to be signed off by the Employee.

28.3.1 Counseling: The supervisor will meet with the Employee to provide a prompt recognition of a problem and suggestions for correction in an effort to eliminate the need for further discipline. If counseling does not correct the problem, the supervisor is expected to continue addressing the problem through verbal warning(s), written warning(s), and, if warranted, discharge.

28.3.2 Written Warning: A formal written warning is more serious than a reprimand and may involve a more extensive corrective action plan. A formal meeting occurs between the Employee and the supervisor and written documentation specifies the behavior in question, the corrective action and any follow-up, recommended. The grievance procedure should accompany the written materials that are placed within the personnel record and given to the Employee.

28.3.3 Probation: Being placed on probation means that the Employee is no longer considered in good standing with the Town and states that if improvement is not noted, termination may occur. Similar to the previous disciplinary actions, the Employee is presented with written documentation and is given a copy of the grievance procedure. A timeline should be specified for formal review of the performance.

28.3.4 Suspension: Suspension may occur with pay or without pay depending on the circumstances of the Employee's behavior and attitude. If an investigation occurs to substantiate or disprove an allegation, the Employee is given the opportunity to present their side of the story and is entitled to review the results of the investigation. In serious cases, if the allegation is substantiated, termination may be warranted. All written material is placed within the Employee's file and a copy of the grievance procedure is given to the Employee.

28.3.5 Termination: Termination may occur at the end of other disciplinary proceedings or may occur if the actions of the Employee warrant immediate termination.

ARTICLE 29 - TUITION REIMBURSEMENT

29.2 The maximum amount of reimbursement shall be up to One Thousand Two Hundred Dollars (\$1,200.00) per person, per fiscal year, depending on funding availability. An employee may receive reimbursement only up to the actual cost of a course, or the \$1,200.00 maximum amount, whichever is less.

29.5 If any time is lost in taking the course, it must be made up by the Employee in the same or next pay period. If time is lost taking a course mandated as a condition of employment, the Employee will be paid his/her normal rate of pay for said period.

29.6 The Employee will be reimbursed for reasonable expenses (including fees, meals, lodging and transportation) incurred in mandatory professional certification while attending workshops, seminars, conferences or other professional improvement sessions with the advance approval of the supervisor or, who attend at the request of their supervisor, subject to Finance Department policy.

29.7 Employees who receive job related National or State certifications or licenses relating to and enhancing the work performed shall receive the amount of ten dollars (\$10) per week for each certification or license, added to the individual's salary, up to a maximum of three (3). To be eligible, certification or license must be continually maintained. The certification or license shall not be a minimum requirement contained in a job description.

This requirement may be waived by mutual consent. In the event that the Union and the Town disagree upon a determination, the matter may be referred to the Board of Selectmen pursuant to Article 10.2, Step 3.

30.3 The Town will notify any candidate of a possible conflict of interest in writing and fully describe remedial action to be undertaken, if applicable.

30.4 The Town agrees that no offer of employment will be extended to any candidate and no candidate will begin employment unless and until any outstanding issues regarding possible conflicts of interest are satisfactorily resolved between the Town and the Union. Both parties will cooperatively, and expeditiously work to resolve questions and if either party so request, will jointly author an advisory letter to the State Ethics Commission.

ARTICLE 31 – SUCCESSORS

31.1 This Agreement shall be binding upon the successors and assigns of the parties hereto and no provisions, terms or obligations herein contained shall be affected, modified, altered, or changed in any respect whatsoever by the take over, assumption or contracting out of any plant, operation, function, or part thereof.
