ARTICLE 23 - FAMILY AND MEDICAL LEAVE ACT/MATERNITY/PATERNITY LEAVE

23.1 Family and Medical Leave

23.1.1 Eligibility: An Employee may be eligible for Family and Medical and/or Maternity/Paternity Leave. Under certain circumstances, a female Employee may be eligible for both Family and Medical Leave and Maternity/Paternity Leave. In such circumstances, the Employee's leave will be charged against both types of leave simultaneously. Where an Employee is eligible for both types of leave, and one type of leave provides greater benefits than the other, the Employee shall be provided such greater leave benefits to which she is entitled.

An Employee employed by the Town for at least twelve (12) months, who has worked at least 1,250 hours during the twelve (12) month period immediately preceding a leave under this section, may take up to twelve (12) weeks for any leave for any one or more of the following reasons:

23.1.1.1 The birth of the Employee's child, and in order to care for the newborn child;

23.1.1.2 The placement of a child with the Employee for adoption or foster care;

23.1.1.3 The need to care for the Employee's spouse, child or parent who has a serious health condition;

23.1.2 Certification: The Employee shall provide certification from a health care provider to substantiate any leave due to the serious health condition of the Employee or the Employee's immediate family member. Failure to provide such certification will result in a denial of the leave request until the Employee provides the requested certification.

23.1.3 Notice: In order to plan for the provision of quality uninterrupted services to clients, the Employee seeking leave must notify the Employer at least thirty (30) days prior to any anticipated leave. If the need for leave is not foreseeable, the Employee must give the Town notice as soon as practicable. Failure to provide

such advance notice will result in a denial of the leave request until 30 days after the notice is provided to the Town.

23.1.4 Group Health Plan Coverage

The Town will continue its contributions to group health plan insurance for an Employee who is out on family or medical leave. The Employee must continue to pay his/her share of such premium during the leave period.

23.1.5 Use of Accrued Vacation, Personal, and Sick Time

An Employee on any family or medical leave must use any accrued vacation and personal time while on such leave. An Employee on family or medical leave for the reasons set forth in above 1(a) (b) and (c) may use any accrued sick time while on such leave. An Employee who is on medical leave for the reasons stated in 1(d) must use any accrued sick time while on such leave. Employees out on family or medical leave will continue to accrue vacation and sick time while on such leave.

23.1.6 Reinstatement

At the end of family or medical leave an Employee shall be restored to his/her former position, if available, or to a similar position elsewhere in the Town, with the same pay, benefits and working conditions as of the date of the Employee's leave. The Employee's right to be restored is limited to what the Employee's job would have been if he/she had not taken leave. Prior to restoration, an Employee who takes a medical leave for the reasons set forth in A(1) (d) must obtain and present certification from a health care provider that the Employee is able to resume work. Failure to provide such certification will result in a denial of restoration until the Employee provides the requested certification.

23.2 Maternity/Paternity Leave

23.2.1 Eligibility

A female Employee employed by the Town for at least three (3) consecutive months on a full-time basis, may take up to eight (8) work-weeks of unpaid leave for any one or more of the following reasons:

23.2.1.2 The placement of a child with the Employee for adoption or foster care.

23.2.2 Use of Accrued Vacation, Personal, and Sick Time

A female Employee on maternity/paternity leave may use any accrued vacation and personal time while on such leave. Accrued sick time may be used during the period of pregnancy-related disability.

23.2.3 Maternity/Paternity Leave to run concurrent with Family and Medical Leave Act Leave

Maternity/Paternity leave taken under this section additionally shall be charged against an Individual's Family and Medical Leave Act entitlement.

23.2.4 **Notice**
In order to plan for the provision of quality uninterrupted service, the Employee seeking leave must notify the Town at least two (2) weeks prior to any anticipated leave.

23.2.5 **Reinstatement**

ARTICLE 26 - SAFETY

26.1 Both the Employer and the Union shall cooperate in the enforcement of safety rules and regulations and shall promote sound safety procedures and rules for the protection of Employees and the public.

26.2 Clothing Allowance: Marine Department, Park & Recreation Department, and any other department that the Town and County Manager and Department Head concur that a uniform, including but not limited to specific shoes and boots, is required, shall provide for a uniform allowance for Three Hundred Dollars per Employee. The Department Head shall give prior approval to any expenditures made under this section.

26.3 Alcohol & Drug Policy: The Town hereby states its strong commitment to its Employees to provide a safe work place and to establish programs promoting high standards of Employee health. Consistent with the spirit and intent of this commitment the Town and the Union hereby establish this policy. The mutual goal is to establish and

maintain a work environment that is free from the effects of alcohol and drug use or abuse.

26.3.1 The illegal use, sale or possession of narcotics, drugs, or controlled substances is an offense warranting discharge. Any illegal substances will be turned over to the appropriate law enforcement agency.

26.3.2 Employees who are under the influence of alcohol, narcotics, drugs or controlled substances, either on the job, or when reporting for work have the potential for interfering with their own as well as their coworkers safe and efficient job performance. Employees may be subject to administrative action up to and including termination of employment if they are found in violation of this section.

26.3.3 Illegal drugs include, among others, marijuana, heroin, hashish, cocaine, hallucinogens and/or depressants not prescribed for current personal treatment by a licensed physician.

26.3.4 Employees are expected to follow any directions of their health care provider concerning prescription medications and must immediately notify the Town and County Manager if a prescription drug is likely to have an impact on job performance. In addition, notification must be given at the time of any testing or screening as to any drugs or medicine being taken.

26.3.5 During an Employee's work shift, including all breaks and meal periods, an Employee, who consumes or uses, or is found to have in his/her personal possession in his/her locker or desk, or other such repository, an open container of alcohol or drugs, which are not medically authorized, or as found to have used or be using such alcohol or drugs will be suspended immediately pending such further investigation. If use or possession is substantiated, disciplinary action, up to and including discharge, will be imposed.

26.3.6 Any Employee who voluntarily requests assistance in dealing with a personal drug addiction or alcohol problem may participate in the Employee Assistance Program (EAP) without jeopardizing his/her employment with the Town. If an Employee choices to notify the Town or requests assistance from the Town regarding an alcohol or drug related problem, that notice or request will not jeopardize his/her continued employment, provided the Employee stops any and all involvement with the substance being abused, and maintains adequate job performance. Participation in the program will not prevent disciplinary action for violation of this policy.

26.3.7 Consequences of Alcohol or Drug Misuse:

26.3.7.1 Employees who engage in prohibited alcohol or drug conduct (that is, who test positive for alcohol or drug use) must be immediately removed from safety sensitive functions, must be evaluated by a substance abuse professional and must undergo a treatment program as defined by the professional.

26.3.7.2 Employees who wish to continue employment with the Town must be evaluated by a substance abuse professional and comply with any treatment recommendations to assist them with an alcohol or drug problem. Employees will be placed on sick leave or a leave without pay status during the treatment period, whichever is appropriate.

ARTICLE 27 - MEDICAL INSURANCE

27.1 When the Town has met legal requirements to change health insurance coverage, the Town agrees to pay 80% of the Blue Cross-Blue Shield Master Medical Plan health insurance premium for those regular employees who are participating in said plan.

When the Town changes the percentage the Town pays toward premiums for the Master Medical Plan, the Town agrees to also offer the Blue Care Elect Preferred Provider Plan as an alternative to the Master Medical Plan. The Town agrees to pay ninety (90%) percent of the cost of the Blue Care Elect Plan, individual or family coverage, for those regular employees who are participating in said plan.

The Town agrees that the Blue Care Elect Plan ("PPO") offered to employees will require only a twenty-five dollar ($25.00) co-pay by employees for Emergency Room visits and will provide a one year transition period from the date the PPO Plan is implemented to 1) pay the difference between in-network and out-of-network costs for any employee who, at the time the PPO Plan is implemented, is receiving treatment from a specialist provider whose services are currently covered under the Master Medical Plan but who is not covered under the PPO Plan, and 2) pay the difference between the in-network and out-of-network costs for any employee whose primary care physician is enrolled in the PPO Plan but drops out of the PPO network at any time, for a one year transition period following the date the physician drops out of the PPO network.

The Town shall continue to provide health insurance covered in accordance with the provisions of M.G.L. chapter 32B. Changes shall be made in accordance with M.G.L. chapter 32B and M.G.L. chapter 150E.

28.2 Cause: The employer shall have the right to discipline Employees for cause only.

28.3 Progressive Discipline: The steps in the progressive discipline process are as follows, each step to be signed off by the Employee:

28.3.1 Verbal Warning: The Town and County Manager will meet with the Employee to provide a prompt recognition of a problem and suggestions for correction in an effort to eliminate the need for further discipline. If counseling does not correct the problem, the Town and County Manager is expected to continue addressing the problem through verbal warning(s), written warning(s), and, if warranted, discharge.

28.3.2 Written Warning: A formal meeting occurs between the Employee and the Town and County Manager and written documentation specifies the behavior in question, the corrective action and any follow-up recommended. The grievance procedure should accompany the written materials that are placed within the personnel record and given to the Employee.

28.3.3 Probation: Being placed on probation means that the Employee is no longer considered in good standing with the Town and specifies that if improvement is not noted by the Town and County Manager, termination may occur. Similar to the previous disciplinary actions, the Employee is presented with written documentation and is given a copy of the grievance procedure. A timeline should be specified for formal review of the performance.

28.3.4 Suspension: Suspension may occur with pay or without pay depending on the circumstances of the Employee's behavior and attitude. If an investigation by the Town and County Manager or designee occurs to substantiate or disprove an allegation, the Employee is given the opportunity to present his/her side of the story and is entitled to review the results of the investigation. In serious cases, if

the allegation is substantiated, termination may be warranted. All written material is placed within the Employee's file and a copy of the grievance procedure is given to the Employee.

28.3.5 Termination: Termination may occur at the end of other disciplinary proceedings or may occur if the actions of the Employee warrant immediate termination.
