

## BUS SIZE PER STREET

An X marked in the column corresponding to a certain bus type indicates that that size bus is permitted on the street listed on the corresponding row of the chart. The absence of an X denotes a prohibition of a certain bus type on a particular street.

### DEFINITIONS OF VEHICLE TYPES

**Tour Vans** shall mean a passenger vehicle with a passenger capacity of 16 passengers or less, including the driver.

**Small Tour Bus** shall mean a common carrier with a passenger capacity of up to 25 passengers, including the driver.

**Large Tour Bus/Motorcoach** shall mean a common carrier with a passenger capacity greater than 25 passengers.

In no case shall any vehicle exceed 28' in length, 9' in width, and 10'9" in height.
