

ADVISORY COMMITTEE OF NON-VOTING TAXPAYERS  
TOWN AND COUNTY BUILDING  
NANTUCKET, MA 02554

July 23, 2013

Nantucket Board of Selectmen  
Nantucket Town Building  
16 Broad Street  
Nantucket, MA 02554

Gentlemen:

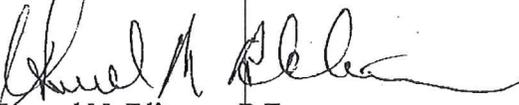

Just writing to inform you that the Advisory Committee of the Non-Voting Taxpayers (ACNVT) have discussed the Siasconset Beach Preservation Fund (SBPF) proposal and are concerned with various comments from all parties, pro and con.

Reliable information is needed to know what effect armoring of the beach could possibly have on the long-term condition of the bluff as well as the costs that may be incurred over the long run impacting the taxpayers of Nantucket. We see and read many conflicting reports.

At this time, we request that you, as Selectmen mindful of tax burdens, obtain independent and proper analysis from well qualified individuals (engineers) on this matter, showing costs of the project and potential costs to the Town.

We kindly make this request on behalf of the members of the ACNVT, who have voted unanimously on this.

Thank you for your attention and continued support.

  
Howard N. Blitman, P.E.  
Chairman, ACNVT
