NANTUCKET HISTORIC DISTRICT COMMISSION Conduct of Application Hearings (adopted 11/17/22)

The HDC's role is to review and deliberate on the appropriateness of structures and architectural elements (consistent with its mission under its Act, its guidelines including Building with Nantucket in Mind, and its established policies). With respect to consistently functional meetings: i) the HDC functions under Robert's Rules and all meeting participants are expected to act accordingly, and ii) applicants and their agents are expected to provide application materials timely (to allow Commissioner preview and for abutter and public viewing). In addition, the following protocols shall be observed:

- 1) The Chairperson opens the application hearing and announces the sitting board.
- 2) Subject to a time allotment (2 minutes for applicant and their agent, 1 minute per for 1st three abutters randomly selected; thereafter, 30 seconds per):
 - a) Applicant or agent provides a description of matters in front of the Commission.
 - b) The Commissioners, through the Chair, may ask questions to solidify their understanding of matters at hand.
 - c) Commission receives staff comments.
 - d) Abutters and public may then speak for or against the matters at hand.
 - e) The applicant or agent is allowed a rebuttal.
- 3) The Commissioners deliberate on the merits only. Note: Except for questions arising of the Commission's deliberations, no further applicant, agent nor public comments are received by the Commission.
- 4) Through the Chair, Commission makes its determination; where applicable, its decision is recorded on the application (including as fitting, through use of an Exhibit).
- 5) In each of the foregoing, comments of Commissioners, applicants, agents, abutters, and the public, are reserved to the *merits of the design with respect to appropriateness*. And, unless as a Point of Information through the Chair, no comments (Commissioner, applicant, agent, abutters, or public) are to involve policy or procedure—under Robert's Rules, such matters are properly addressed as separate, noticed agenda items. *And, throughout each hearing, both off-topic and redundant comments are strongly discouraged.*
