Dear Mr. Lowell and fellow Commissioners,

I am writing to express my interest in joining the Bicycle & Pedestrian Advisory Committee. Since 2019, my partner and I have lived car-free on Nantucket while leaving a shared vehicle in Hyannis for off-island travels. As downtown residents, we walk, use public transit, and most of all bike. I'd love the opportunity to improve pedestrian and cycling infrastructure on Nantucket. While we have made many steps in the right direction, I feel there are opportunities for improvement to truly make Nantucket a friendly, safe place to commute by bicycle.

Thank you for your consideration,

RJ Turcotte
