Dear Patrick,

Hello! I realize I'm a few hours beyond EOD for June 20, but I wanted to let you know I am interested in continuing to serve on the BPAC Committee. It's been a long time since we've had a meeting! If you need something more formal in writing, please let me know.

I think it's good to have different perspectives within the committee, and I appreciated the well-rounded group I was working with prior to COVID. Aside from my own interest (as a runner and cyclist), being a mother of a school-age child and wife of a CPS teacher gives me insight, as well as concern, about the safety of our kids.

Thanks,
Laura

Hi Andrew,

Just spoke to Nat about BPAC and I said that I would email you.

I see that all members' terms are up June 30, 2022. Should I reach out to current members and ask them if they want to send in an email or is there another way to go about it.

And, this would be a good time to do anything different with BPAC with this "re-start". Change the charge, focus, projects, etc.?

Jason
