SOLAR Rebate Application

Revised: 9/1/18

Rebates apply to PV systems installed on primary, privately-owned, residential properties located on Nantucket within the previous 360 days. Submit completed application to the Energy Office located at 2 Faregrounds Road, along with all required documentation. **The SOLAR rebate is capped at \$2,500 per customer and will be awarded on a first come, first served basis, as funds are available.**

1. APPLICANT INFORMATION (please type or print clearly)

Applicant Name				Phone Number		Email Address	
Installation Address: Street				City		Zip Code	
Mailing Address (if different than above)				Property Map #		Parcel #	

2. INSTALLER INFORMATION (please type or print clearly)

Company Name		Street Address		City	State	Zip Code
Contact Name		Phone Number		Email		
License # (Electrical/NABCEP)		Installer Warranty (years)		Website		

3. SYSTEM INFORMATION (please type or print clearly)

Date of System Interconnection: _____ **Nameplate Rating:** _____ kW DC

System Output (as specified in National Grid's Authority to Interconnect): _____ kW AC

4. REBATE REQUEST (please type or print clearly)

Total Rebate Request*: \$ _____ *Rebate amount cannot exceed "out of pocket" payments made toward total system cost*

*Rebate Request Formula: (\$500/kW AC x PV System Output from Section 3) or \$2,500, **whichever is less.**

For example: A system with a 3.5kW AC output would receive a rebate of \$1,750 (\$500/kW x 3 kW AC).
A system with a 6 kW AC output would receive a rebate of \$2,500 since this amount is **less than** \$3,000 (\$500/kW x 6 kW AC)

Payment Method (Choose one): By Check to Applicant **OR** By Check to Installer

5. REQUIRED DOCUMENTATION

All applicants must submit (in order):

- 1. Proof of a Mass Save home energy assessment within last 3 years (call 1-844-615-8316 or visit Ngrid.com/Nantucket to schedule appt.)
- 2. Copy of most recent National Grid electric bill (all pages). **Nantucket POWERChoice** supplier must be listed under "Supply Services"
- 3. Copy of PV System "Certificate of Completion" issued by the Town of Nantucket Building Department
- 4. National Grid "Authorization to Interconnect" letter or email, including date of correspondence
- 5. Copy of Installer contract, including technical specifications of installed system components
- 6. Proof of Out-of-Pocket Payment: Copy of cancelled checks or bank or loan statements and corresponding contractor invoice (s)
- 7. Proof of Primary Property Ownership: Documentation from Assessor, or other examples as outlined in Residential Exemption Application
- 8. Emailed photo(s) of installed system *and* bi-directional net meter
- 9. Signed W-9
- 10. Signed "Terms & Conditions" Form

Date Stamp:
