

WANNACOMET WATER COMPANY

Telephone (508) 228-0022
Fax (508) 325-5344

The Wannacomet Water Company understands the COVID-19 crisis has placed a hardship on our customers and the entire Island community. We will not be charging late payment penalties, interest or late fees during the time of this crisis. As Nantucket moves forward and our community begins to slowly open back up we will work directly with our customers to develop individual payment plans. We understand families and businesses are making hard economic decisions. We hope these payment plans will help ease a little of the financial burden for our customers during this time. Please email any questions or inquiries to water@nantucket-ma.gov

Wannacomet is here to work for you and with you. Stay safe and be healthy.
