Town & County of Nantucket

Coronavirus Response Team

Public Information Officer –Gregg Tivnan, Assistant Town Manager

BOARD OF HEALTH EMERGENCY ORDER No. 12: MANDATORY FACE COVERINGS

Dear Nantucket Community:

On Monday, June 29, 2020 the Nantucket Board of Health held an emergency meeting to discuss the growing concern that face coverings are not being used when in public and not socially distant. The Board of Health issued Emergency Order No. 12 - Mandatory Face Coverings to address this public health concern.

Per the Order, all persons, with limited exceptions, shall wear face coverings over their mouths and noses when in public and within six feet of another person, and at all times when within the bounds of the Nantucket Old Historic District and the Siasconset Historic District.

Find the complete Order [here](#) or on the Town of Nantucket’s COVID-19 Response webpages at www.nantucket-ma.gov/1820/emergency-orders.

<end>

Nantucket Officials urge Community Members, Visitors and Potential Visitors to continue to follow the guidelines of the Centers for Disease Control with respect to social distancing, sanitizing, travel and the other measures needed to “flatten” the contagion – all of these guidelines may be found through the Town website at www.nantucket-ma.gov.

For general queries regarding the Town’s response to the Coronavirus please go to: Covid19@police.nantucket-ma.gov or call 508-325-4111.
