

Surfside Road Area Sewer System Improvements Project

NOTICE OF CONSTRUCTION

Construction of the Surfside Road Area Sewer System Improvements Project is scheduled to commence on Sunday, April 11, 2021. The scope of work includes the replacement of the Surfside Road Pump Station and the installation of approximately 3,800 linear feet of gravity sewers tributary to the new Surfside Road Pump Station. The installation of gravity sewers includes Surfside Road from Miacomet Avenue to Vesper Lane and Bartlett Road from Surfside Road to approximately 250 feet west of the Surfside Road intersection.

Construction will commence on the evening of Sunday, April 11, 2021 on Surfside Road between Miacomet Ave. and Windy Way. Considering the depth of excavation in some areas and the significant vehicular and pedestrian traffic volume along Surfside Road, particularly during school drop off and pick up hours, the Nantucket Select Board has granted a waiver of the Town Noise Bylaw to allow work in the evening hours (4pm-2am) until June 25, 2021 to complete the gravity sewer installations within the roadways.

Full road closures will be in effect during construction activities to maintain the greatest level of safety for the construction crew and public. Police detail officers and a resident engineer from Weston & Sampson will be on site throughout to assist abutters with access to and from their properties and manage the detour route around the work zone. Trench paving activities are scheduled for Fridays between 9am-2pm, which will require one lane closures with alternating traffic. All traffic is advised to seek alternate routes to mitigate traffic delays through the project corridor. The figure above depicts the approved detour route and Surfside Road closure locations planned for Phase 1 of the roadway work, which includes all pipeline installations between Miacomet Ave. and Bartlett Road. The Nantucket Sewer Department can be reached at (508) 228-7200 x7800 with any questions.

Residents are encouraged to visit the project webpage on the Town's website at <https://www.nantucket-ma.gov/SurfsideRoadSewer> for weekly updates on the progress of construction and the proposed schedule.
