U.S. Secret Service Announces a “No Drone Zone” Restricted Areas

Due to protective operations in Nantucket, MA, the Secret Service, in coordination with the Federal Aviation Administration (FAA), has established a drone flight restriction from 6 pm, November 23 to 1pm, November 28, 2021.

It is standard practice for the Secret Service to work in conjunction with the FAA and other federal, state, and local partners to accomplish our protective mission.

This restriction applies to all aircraft and pilots, to include drone pilots.
